You say have crossed out the access from Culmere Rd. Where is the access going to be? There is no safe access either from Culmere Road or Lopenwood. The accident rate in this area is about one every 2 weeks.

7. Please set out what change(s) you consider necessary to make the Local Plan Part 2 legally compliant or sound on this matter, having regard to the test you have identified at 5 above where this relates to soundness. You will need to say why this change will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of the relevant policy or text. Please be as precise as possible.

I find this form extremely difficult to understand. — I raise my objection to the building on this site for many reasons, e.g., traffic, lack of amenities in this area, flooding. Why has the boundary been moved? Broomfield is not included. Why? How can you just move the boundary on one side?

8. If your representation is seeking a change to the Local Plan Part 2, do you consider it necessary to participate at the oral part of the examination?

☐ No, I do not wish to participate at the oral examination
☐ Yes, I wish to participate at the oral examination

9. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Also the site is being cleared—trees down, hedges down—without any information to local residents [neighbours]. This is going to end up an eyesore—open land.

In anticipation of a go ahead?

14/11/13—Most of the trees removed. Farmhouse now in full view.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
Comments on other documents, for consideration by NFDC.
