The Parish Council is now content that the wording of Policy MoS1 is appropriate and in line with the suggestions made by the Inspector.

Please be as precise as possible.

10. Please state here your comments on the draft Mitigation Strategy.

| Pages 47 & 48: | The Parish Council is content with the proposed mitigation of the creation of two new walks in the vicinity of the proposed new development and will provide links towards the village. |
| Page 69: | The Parish Council support the appointment of the two educational wildlife wardens/rangers subject to them covering our whole parish. |
| Appendix (A): | Whilst we are generally supportive of the schemes referenced for Milford-on-Sea, each proposed scheme needs to be discussed fully with the Parish Council before implementation. We note that funding costs for each scheme has been estimated and we would contest some of the sums mentioned, some of which we feel are too high and could be used on alternative Milford-on-Sea schemes and projects. We are particularly keen to re-allocate £70k for the provision of a MUGA and wish this sum to be used instead towards the provision of a community supported Mini Sports Hall for use by all our residents. We ask that all proposed schemes be discussed with the Parish Council at the earliest opportunity. |

11. Please state here your comments on the Infrastructure Delivery Plan.

See comments above under Appendix (A).
