4. On this matter, do you consider the Local Plan Part 2: Sites and Development Management is:
   (1) Legally compliant
   (2) Sound* Yes No ✓ Yes No ✓

(* The considerations in relation to the DPD being ‘Sound’ are explained in the National Planning Policy Framework)
If you have entered No to 4.(2), please continue to Qu 5. In all other circumstances, please go to Qu 6.

5. On this matter, do you consider the Local Plan Part 2: Sites and Development Management is unsound because it is not:
   (1) Justified
   (2) Effective ✓
   (3) Consistent with national policy
We consider the Local Plan Part 2 is unsound because:-

- Moore Close is NOT suitable for any extra vehicular access.
- The road is very narrow and not wide enough to accommodate the potential extra vehicles.
- We have limited car parking.
- The car parking situation is currently causing concern as there are times during the evenings when Emergency vehicles would not have access to all the houses within the close.
- More cars and traffic would exacerbate this situation.
- Creating access from Moore Close would result in more than necessary boundary hedges/fences being removed or cut down.
- The removal of hedgerow will greatly disturb the wildlife within that particular area.
- On a more personal level, we feel this new development will devalue our house.

7. Please set out what change(s) you consider necessary to make the Local Plan Part 2 legally compliant or sound on this matter, having regard to the test you have identified at 5 above where this relates to soundness. You will need to say why this change will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of the relevant policy or text. Please be as precise as possible.

We consider the following changes would help to make Local Plan Part 2 sound:-

- A separate access road to the new development. This would eliminate most of the problems I have identified at 5 above.

8. If your representation is seeking a change to the Local Plan Part 2, do you consider it necessary to participate at the oral part of the examination?

☐ No, I do not wish to participate at the oral examination
☐ Yes, I wish to participate at the oral examination

9. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:
Please note the Inspector will determine the most appropriate procedure to adopt to hear those who
