NFDC53 Errata

Appendix 1: Further Modifications to Local Plan Part 2

Page 39:

Map HYD7:
Amend map – revised allocation should be as shown below with green diagonal hatching.

Para. 3.126:
Should read:
The proposal is to provide 2.3 0.8 hectares of informal public open space as natural green space. It is well connected with the local footpath network and will provide an attractive natural environment for use by local walkers and dog walkers, as an alternative to recreational visits to nearby European nature conservation sites.
