<b>Consultation Document Policy ID and Name: AVON1, Avon Valley Lakes</b>						
828d	Drivers Jonas Deloitte Representing CEMEX	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>		CEMEX urges the Council to adopt a flexible approach to development within the management area. Areas of land within the management plan, notably CEMEX's Ringwood Site and the Headlands Business Park, are brownfield/built out. To restrict all development to that set out in policy AVON1, would not be appropriate. CEMEX therefore urges the Council to adopt a flexible approach to brownfield land, particular that which relates well to the existing settlement. This will allow alternative forms of development, including employment uses, to come forward on appropriate sites where it will not have a detrimental impact on the surrounding countryside.
845g	Talbot M	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		Water in the lakes needs boosting in the summer months.

923l	Webster P	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		I have lived through close to 60 years of mining in the Ibsley area and had hoped to be enjoying a network of paths and cycleways at the Blashford Lakes by now but there is still no access to the Lakes from Ibsley. Yes a path may at last be opened in April if permission is granted but it will only be seasonal and no dogs will be allowed. We must have better access to the lakes, by foot, cycle and public transport urgently. People in the Ibsley and surrounding areas would like to cycle and walk into Ringwood but this is still not possible by a safe direct route. Please help us to sort this out as soon as possible. You must get a 30mph speed limit imposed in Ellingham Drove.
