Neighbourhood Planning support

1. Introduction and Purpose

1.1. New Forest District Council supports the concept of Neighbourhood Planning and the potential it offers to communities to help shape the places where they live. In deciding whether or how to progress a Neighbourhood Plan, communities will need to consider how they would carry out the work required to deliver an effective and evidence-based Neighbourhood Plan.

1.2. There are a range of national and other published sources of information and advice on Neighbourhood Planning, and that advice is not repeated here (see appendix one for some useful links). The aim of this note is to define the nature, scope and limitations of support that will be provided by New Forest District Council Planning Services to Town and Parish councils for the purposes of the preparation of a Neighbourhood Development Plan.

1.3. The note is also applicable to Neighbourhood Development Orders and Community Right to Build Orders.

1.4. Planning Services will coordinate the involvement of other parts of the Council as and when required, including involvement of Electoral Services at referendum stage.

1.5. The District Council is responsible for:

   a. fulfilling certain statutory requirements at the beginning and end of the process (see section 3)
   b. the provision of proportionate advice and assistance (see section 4)

1.6. This note outlines:

   a. how the District Council will undertake its statutory duties
   b. the level and extent of the technical advice and assistance that the District Council will provide

2. Context: Neighbourhood Planning and the District Local Plan

2.1. The primary focus and first priority of the District Council is the preparation and adoption of the Local Plan. The ability of the District Council to offer support and advice for Neighbourhood Planning will vary depending on the stage of the Local Plan and the workload of the Local Plan team.

2.2. The Local Plan Part One will cover strategic matters including strategic housing allocations, and may propose strategic housing allocations in designated Neighbourhood Areas. The Local Plan Part One was submitted for independent
examination in November 2018. Hearing Sessions of the Examination commenced on 3 June 2019 and ended on 18 July 2019. Subject to a successful completion of the examination it is anticipated that it will be adopted Spring 2020¹.

2.3. Other sites and policies will be progressed through the Local Plan Part Two, scheduled to commence in 2020/21. The content and coverage of the Local Plan Part Two for designated Neighbourhood Areas would take into account the aims and scope of Neighbourhood Plans and their progress.

3. The statutory obligations of the District Council

3.1. The District Council will fulfil its statutory Neighbourhood Planning obligations as required by the prevailing regulations², which include

i. As soon as possible after receiving the Neighbourhood Area application, publicise and consult in accordance with the statutory timeframes (Regulation 6)

ii. To consider the consultation responses received, and (where appropriate) designate the Neighbourhood Area and publicise it on the NFDC website (Regulation 7)

3.2. Upon submission of a Plan Proposal by the Town/Parish Council to the District Council, the District Council will (liaising with the New Forest National Park Authority as appropriate):

i. Confirm to the Town or Parish Council whether or not the submission plan proposal complies with Regulation 15 of the Neighbourhood Planning Regulations

ii. Publicise and start consultation with the public on the submission plan proposal and other relevant documentation (Regulation 16)

iii. Contact the Neighbourhood Planning Independent Examiner Referral Service (or equivalent) and appoint an appropriately qualified and experienced examiner

iv. Submit the draft Neighbourhood Plan, supporting documents and representation to the Independent Examiner (Regulation 17) in a timeframe commensurate with the volume of representations received (Regulation 17)

v. Arrange an Examination hearing venue and date in consultation with the Town or Parish Council, wherever possible in the local area

vi. Publish a ‘Decision Statement’ (Regulation 18/19) as soon as practicable following the receipt of the inspector’s examination report

Subject to the Examiner’s recommendations, make arrangements for holding the referendum.

Adopt the Neighbourhood Plan (Regulation 19/20) at the first available meeting of the District Council following confirmation of majority support at referendum, and make it available through the District Council website.

4.9. In addition to its statutory responsibilities the District Council will publicise the Neighbourhood Plan consultation on the District Council website with a link to the published draft Neighbourhood Plan.

5. Funding

5.1. The Government provides some financial assistance\(^3\) to planning authorities to enable them to fulfil their statutory neighbourhood planning duties including holding the examination and arranging the local referendum. Most of this funding is released at the end of the process after the District Council has incurred the costs of the Neighbourhood Plan examination.

5.2. There is no obligation on the District Council to offer financial support for Neighbourhood Planning and we regret that we are unable to do so.

5.3. The Government also provides some financial support for communities who choose to prepare Neighbourhood Plans in the form of grants. Information on how groups can apply is available at http://mycommunity.org.uk/programme/neighbourhood-planning/.
