

Price for Life Terms and Conditions

1. New Forest District Council have introduced the 'Price for Life' (PFL) promise from August 2006 to enhance the membership benefits and to maintain a commitment to a healthy lifestyle. The PFL promise means that a Fitness Direct member will continue to pay the same price for their particular membership contract only as long as they continue to be a paid-up member.
2. A PFL member will avoid the normal price review each year.
3. The PFL promise cannot be used in conjunction with other offers or reductions which may be available to non PFL members.
4. Where a membership contract type is brought to an end by the customer then the PFL promise ends with it. This includes all types of memberships and upgrading or downgrading packages. If the same customer wishes to commence a new package then it would be at the price and Terms and Conditions prevalent at the time.
5. When a member reaches 17yrs, or a student finishes full-time education, or a corporate member is no longer an employee with the company or an apprentice finishes their apprenticeship, or a concessionary member is no longer in receipt of benefit, they have the choice of selecting any of the current packages for which they are eligible.
6. New Forest District Council reserve the right to withdraw the PFL scheme at their absolute discretion. All members currently benefiting from the PFL promise will continue to pay the rate they currently pay for as long as they continue to be paid up member. Only new members would not receive the PFL promise.
7. If a PFL membership is suspended or frozen for any reason this will be considered to be a break in membership and the membership will default to the Terms and Conditions prevalent at the time.
9. Freezing a membership to facilitate recovery from a medical condition will not result in the termination of the PFL promise.
10. Freezing a membership to facilitate a holiday (between 1 month and no longer than 3 months, applied for in writing with proof) will not result in the termination of the PFL promise.
11. A member paying annually must renew within 14 days of expiry in order to retain the PFL promise.
12. PFL is subject to all the normal Terms and Conditions of a Fitness Direct membership.
